A Storm's Coming...

It was all part of the plan. While his brother was in Scotland dethroning the Lady of Falgannon, Jago Mershan was headed to Kentucky. There he would do his share in avenging his father on the Montgomeries. Only, there was a monkey wrench in the works

Just looking at his alleged enemy's granddaughter made Jago think of his classic black '67 Harley Electra Glide, a motorcycle with clean lines and sleek curves that promised the ride of a man's life. Asha was all woman--and the only woman for him. He'd bet she could go from zero to one hundred in the blink of an eye...and not even her claims of paranormal happenings in the diner she ran could put him off. He knew magic: He had a special name for the sights, the sounds, the tastes and smells of that perfect ride. There might be a storm coming, but it was one of passion, and together he and Asha would be...
