## The Gravity Between Us Kristen Zimmer

At just 19, Kendall Bettencourt is Hollywood's hottest young starlet, with the world at her feet - but behind the glamour and designer dresses is a girl who longs for normal. Payton Taylor is Kendall's best friend since childhood and the one person who reminds her of who she really is. With her career taking off, Kendall moves Payton to LA to help keep her sane. But Payton is hiding a secret that could make everything 10 times worse. Because to her, Kendall is more than a best friend; she is the only girl that she has ever loved. Just as they need each other more than ever, they'll have to answer the question of where friendship stops and love begins - and find out whether the feelings they have can survive the mounting pressure of fame.
