Antebellum: A Novel R. Kayeen Thomas

A thought-provoking novel about African-American culture seen through the eyes of a famous rapper who is transported to the days of slavery and forced to experience it firsthand.

When Da Nigga is sent back in time, he finds himself a slave forced to live the life of his ancestors. A rapper in current time, Da Nigga must confront the reality of the African-American experience as slavery challenges everything he holds dear from his fellow rappers and their lyrics, to the executives and their motives.

Antebellum is the hard-hitting, gritty story of Da Nigga. From rap superstar to broken slave and back, *Antebellum* will have readers on the edge of their seats and keep them talking long after they put it down.
