**Maximize your outdoor living spaces through creative woodworking!**

Today's challenging economic climate has motivated many homeowners to stay in their current homes rather than upgrade, and this has sparked a major trend in what is often called the "don't move: improve!" movement. By putting a small amount of money (and some time) into sprucing-up your backyard, you can create a veritable oasis with the projects in this book. Not only can these projects improve quality of life, but building them can also be a great financial decision.

*Backyard Projects for Today's Homestead* includes:

- 20 illustrated step-by-step projects that are within the skill level of beginning woodworkers
- Information on choosing durable materials, working with reclaimed lumber, applying finishes appropriate for outdoor wear
- More than just outdoor furniture - includes chicken coops, decking, gates, etc
