Elements of Wit: Mastering the Art of Being Interesting Benjamin Errett

Got wit?

We've all been in that situation where we need to say something clever, but innocuous; smart enough to show some intelligence, without showing off; something funny, but not a joke. What we need in that moment is wit—that sparkling combination of charm, humor, confidence, and most of all, the right words at the right time.

Elements of Wit is an engaging book that brings together the greatest wits of our time, and previous ones from **Oscar Wilde** to **Nora Ephron**, **Winston Churchill** to **Christopher Hitchens**, **Mae West** to **Louis CK**, and many in between.

With chapters covering the essential ingredients of wit, this primer sheds light on how anyone—introverts, extroverts, wallflowers, and bon vivants—can find the right zinger, quip, parry, or retort...or at least be a little bit more interesting.
