Josephine and I (Modern Plays) Cush Jumbo

Josephine Baker: captivating performer, political activist and international icon, who lived from 1906 to 1975.

From the ragtime rhythms of St Louis and the intoxicating sounds of 1920s Paris, to present-day London, *Josephine and I* intertwines the story of a modern-day girl with that of one of the greatest, yet largely forgotten, stars of the twentieth century.

Cush Jumbo stars in the premiere of her debut play, which centres on the legendary American entertainer and her impact on a contemporary young woman. Live music combines with dance to bring to life the contemporary legacy of a woman Ernest Hemingway described as "the most sensational woman anyone ever saw, and ever will."
