Lost in the otherworldly Everlands, Em has finally begun to realize how much she has forgotten. But she also discovers that the only way to regain all that she has lost is not to return to the world she knows, but instead to venture into the very heart of Everlands itself. Between Em and her goal, however, is a crazed patchwork landscape across which walking shadows, living statues, blind kung fu librarians, and forgotten heroes fight to survive in a struggle that could mean the end of time as we know it.
