**Sinister Weddings: Bride by Candlelight, Cat's Prey, and Bridge of Fear** Dorothy Eden

A special three-in-one edition by Dorothy Eden—featuring *Bride by Candlelight*, *Cat's Prey*, and *Bridge of Fear*—in which a bride-to-be, a wedding guest, and a recently married woman come face to face with evil as they innocently prepare to celebrate love

*Think well before you marry Paul Blaine.*

In *Bride by Candlelight*, this anonymous note is the prelude to a series of disturbing events plaguing Julia Paget. At an isolated New Zealand sheep-farming estate, she discovers that her war-scarred husband-to-be isn't the man she fell in love with three years earlier.

In *Cat's Prey*, Antonia Webb journeys to a remote seaside resort in New Zealand to claim an inheritance and attend her cousin's wedding. And even the handsome solicitor who warns her away may not be able to protect Antonia from the evil closing around her.

Is Abby Fearon paranoid—or is someone trying to kill her? In *Bridge of Fear*, this is the question she must answer. Abby arrives in the Australian outback from her native England to find that something has changed in her new husband . . . something that frightens her almost as much as the strange, wild land she now calls home.
