In *Elijah*, Hamilton Smith traces the major events of the life of Elijah, the Prophet of God, with all the highs and lows in his work as a prophet. Elijah knew only too well the inadequacies of his own humanity - he was a man who was "subject to like passions as we are". But Elijah knew the living God, was conscious of His presence, and was aware that prayer brought him into contact with the greatest power in the universe. By experience, he comes to understand that the God of creation, power and judgment, is supremely the God of grace.

At each step, the author presents clear, practical lessons for Christians today as they too seek to present God's word with authority to an indifferent or antagonistic world. "...may we too catch the spirit of Elijah and learn to walk in separation from evil, in dependence on God, and devotedness to God; while waiting to be rapt to glory at the coming of the Lord."
