## **Los demonios del lugar (Spanish Edition)** Ángel Olgoso

Los demonios del lugar es un conjunto de relatos sobre situaciones extremas, inquietantes o pavorosas, escritos con el cuidado de un orfebre; una reflexión sobre las distintas aristas del mal; una revisión y actualización de temas que incluye hasta quince modalidades de terror (psicológico, oriental, macabro, metafísico, erótico, sobrenatural, cósmico, infantil, bélico, onírico, humorístico, etc.); un acercamiento a la materia oscura del paso del tiempo, del enigma de la muerte, del prójimo como torturador.

Ángel Olgoso da cuerpo literario y savia nueva a un género maltratado, asombra con la densidad poética y plástica de su prosa, con la intensidad de sus argumentos, con las visiones de un territorio desconocido y terrible poblado por miedos íntimos y monstruos inimaginables, rituales malsanos y seres perversos, perspectivas espeluznantes y atmósferas fantasmagóricas y vertiginosas.
