Losers

Michael Lewis

Losers Michael Lewis

Michael Lewis is a master at dissecting the absurd: after skewering Wall Street in his national bestseller *Liar's Poker*, he packed his mighty pen and set out on the 1996 campaign trail. As he follows the men who aspire to the Oval Office, Lewis discovers an absurd mix of bravery and backpedaling, heroic possibility and mealy-mouthed sound bytes, and a process so ridiculous and unsavory that it leaves him wondering if everyone involved—from the journalists to the candidates to the people who voted— isn't ultimately a loser.

The contenders:

Pat Buchanan: becomes the first politician ever to choose a black hat over a white one.

Phil Gramm: spends twenty million dollars to convince voters of his fiscal responsibility.

John McCain: makes the fatal mistake of actually speaking his mind.

Alan Keyes: checks out of a New Hampshire hotel and tells the manager another candidate will be paying his bill.

Steve Forbes: refuses to answer questions about his father's motorcycles.

Bob Dole: marches through the campaign without ever seeming to care.

Losers is a wickedly funny, unflinching look at how America really goes about choosing a President.

From the Trade Paperback edition.

From reader reviews:

Merry Springs:

Here thing why that Losers are different and trustworthy to be yours. First of all reading a book is good nonetheless it depends in the content from it which is the content is as delicious as food or not. Losers giving you information deeper since different ways, you can find any publication out there but there is no guide that similar with Losers. It gives you thrill examining journey, its open up your personal eyes about the thing in which happened in the world which is perhaps can be happened around you. It is possible to bring everywhere like in park your car, café, or even in your method home by train. Should you be having difficulties in bringing the published book maybe the form of Losers in e-book can be your substitute.

Richard Dean:

Losers can be one of your beginning books that are good idea. Most of us recommend that straight away because this reserve has good vocabulary which could increase your knowledge in language, easy to understand, bit entertaining but nonetheless delivering the information. The article author giving his/her effort to place every word into joy arrangement in writing Losers although doesn't forget the main position, giving the reader the hottest and also based confirm resource data that maybe you can be one among it. This great information can drawn you into brand-new stage of crucial pondering.

Ella Straw:

In this time globalization it is important to someone to receive information. The information will make professionals understand the condition of the world. The fitness of the world makes the information easier to share. You can find a lot of personal references to get information example: internet, newspapers, book, and soon. You can observe that now, a lot of publisher which print many kinds of book. The particular book that recommended to your account is Losers this guide consist a lot of the information from the condition of this world now. That book was represented how do the world has grown up. The language styles that writer use to explain it is easy to understand. The particular writer made some research when he makes this book. Here is why this book suitable all of you.

Marjorie Calhoun:

Is it an individual who having spare time in that case spend it whole day by simply watching television programs or just lying on the bed? Do you need something new? This Losers can be the reply, oh how comes? It's a book you know. You are thus out of date, spending your spare time by reading in this brand new era is common not a geek activity. So what these books have than the others?
