Summit Tales: Early Adventures in the Canadian Rockies Graeme Pole

Summit Tales recounts the hardships, the adventures, the rivalries, and the accomplishments of mountaineers in the golden age of mountaineering in the Canadian Rockies. From fur traders seeking a better view of the land to government surveyors perfecting the art of phototopography; from university chums on summer vacation to England's mountaineering elite seeking untrodden peaks; from Swiss guides who would haul just about anyone to the summits around Lake Louise to Gertrude Benham, who left everyone breathless in her wake, *Summit Tales* brings Canadian mountaineering history to life. Illustrated with one hundred archival images - some never before published - *Summit Tales* recreates the sense of adventure and the challenge of climbing in the Canadian wilderness when most of the land was unmapped and no guidebooks to the peaks existed.
