Beyond the Here & Now is an account of how we have come to be where we are now, in the modern era. In explaining the things that have not served us well we can uncover how to put them right in order, if we choose, to bring about a way of experiencing this world, and each other, as never before. No need for great blind leaps of faith or trickery, as the book demonstrates, everything we need is already at hand. We must now apply what we inherently know and this book explains how.
