Environmental Policy and Politics

Michael Kraft

Environmental Policy and Politics Michael Kraft

Covering global threats such as climate change, population growth, and loss of biodiversity, as well as national, state, and local problems of environmental pollution, energy use, and natural resource use and conservation, *Environmental Policy and Politics* provides a comprehensive overview of U.S. policy-making processes, the legislative and administrative settings for policy decisions, the role of interest groups and public opinion in environmental politics, and the public policies that result. It helps readers understand modern environmental policy and its implications, including the need for a comprehensive and integrated approach to problem solving.
