Manifesto of a Tenured Radical (Cultural Front (Paperback)) Cary Nelson

In an age when innovative scholarly work is at an all-time high, the academy itself is being rocked by structural change. Funding is plummeting. Tenure increasingly seems a prospect for only the elite few. Ph.D.'s are going begging for even adjunct work. Into this tumult steps Cary Nelson, with a no-holds-barred account of recent developments in higher education.

Eloquent and witty, **Manifesto of a Tenured Radical** urges academics to apply the theoretical advances of the last twenty years to an analysis of their own practices and standards of behavior. In the process, Nelson offers a devastating critique of current inequities and a detailed proposal for change in the form of A Twelve-Step Program for Academia.
