Most people realize the importance of prayer in their lives. We also know that Jesus prayed regularly during His earthly ministry. But how can we pray effective prayers? How can our prayers become practical? PRAYING WITH PURPOSE is a "prayer school" or practical guide focused on directing readers in purposeful and practical prayers. In PRAYING WITH PURPOSE 30% of the content is theory, and 70% is based on exercising practical praying.

The author discusses 40 topics to help readers to pray Scripture step by step. Each topic is supported by Scripture verses paraphrased as prayers that can be used as guidelines. At the end of the book a study guide will help readers assess their progress as they work through the topics.

PRAYING WITH PURPOSE is a practical guide that shows Christians how to use Scripture in their prayer time with God.
