Boat Interior Construction Michael Naujok

Boat Interior Construction is a bestselling guide to do-it-yourself interior boat building. This book will be extremely useful for those owners not completely happy with the layout of their production boat or who want to fit out a new or renovated hull. Every detail of each project is clearly explained and illustrated with superb step-by-step instructions. The techniques and procedures shown are applicable to every type and size of boat. The author's experience and education make him a master of his trade and an excellent guide for all do-it-yourselfers. He illustrates first hand with over 450 color photographs the practical aspects of building the interior fittings for a boat of any size.
