#### **Bernice Cofield:**

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's heart and soul or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring along with can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this OZ: Volume 4 - New World Order can make you experience more interested to read.
