The Disclaimer states, "This book is a work of fiction. Any similarities between actual persons living or dead is purely coincidental and absolutely unintended."

Then why are so many people in your town so nervous when they read, "Do you swear to tell the truth, the whole truth and nothing but the truth, so help you God?"

Because, you do recognize the man who was murdered and the man waiting to testify. You are right. He looks so unnatural without his lectern and bible in front of him. Everyone sees his wife clothed in embarrassment as she glares at the pretty, young blond woman on the witness stand.

And there they are the rest of her cohorts! Tina, Nancy and Charlotte. Oh it had been years since this town saw that little group of harlots together. They still think everything is a joke. Even this trial.

Well this will teach all four of them a lesson. Things here will never be the way they were before the shooting.
