The magic has returned! But, this time...the light has grown dark. The journey back through the ages continues, shedding light on the fates of the bearers of the light, the Samsuras that came before Malikai. As he discovers more about the unbridled magic surging within him, as well as the inherent dangers that can accompany such power, the present day will finally take center stage in the timeline of the Soulfire universe! Yet, all bearers are not effortlessly pure of heart, and those of the past have often found solace in the dark pleasures of others' suffering-even those who may possess the wondrous ability of flight.
