The Truth About Special Education: A Guide for Parents and Teachers Robert Evert Cimer

Few parents and educators understand special education_its terms, philosophies, and process. This easy-to-read book contains a step-by-step discussion of the special education process and has hundreds of additional resources for parents including professional organizations, support groups, and useful websites. It will help parents and students minimize the inevitable anxiety associated with enrolling in a special education program. They will also gain insight into the legal rights and responsibilities associated with having a child in special education and learn how to develop effective educational plans and strategies for building effective educational teams along with basic information regarding common disabilities. Primarily written for family members of children with disabilities, this book will also be useful for educators who are unfamiliar with special education as well as special educators who are new to the field.
