Alexander Calder: Discipline of the Dance Alexander Rower, José Cuy, Juan Ponce

Published to accompany the Museo Jumex exhibition of the same name, *Discipline of the Dance* focuses on the experiences of Alexander Calder (1898–1976) in Latin America?particularly his participation in the Cultural Olympiad, organized by artist Mathias Goeritz on the occasion of the 1968 Olympic Games in Mexico City?as a window onto his wide-ranging sculptural production. This well-illustrated volume includes nearly 100 works from the 1920s through the 1970s, including Calder’s signature wire mobiles and stabiles as well as paintings and jewelry, and documentation from the International Meeting of Sculptors held within the framework of the Olympiad. Particular attention is paid to the design process, fabrication and installation of “El sol rojo,” a sculpture by Calder that was part of the “Route of Friendship,” built to celebrate the Mexico 68 Games.
