God, Medicine, and Miracles: The Spiritual Factor in Healing Daniel Dr Fountain

Have you ever gone into a doctor's office and come out feeling like a laboratory project rather than a human being? This book offers a refreshing perspective.

In Dr. Daniel's forty years in the medical community, he has discovered an important truth: people find more *complete* healing when treated as integrated persons - with minds as well as bodies, emotions as well as muscles, spirits as well as skin.

Through real-life stories and insightful studies, Fountain uses his experience to explore a *balanced* relationship between faith, medicine, and ultimate spiritual hope.

From the Trade Paperback edition.

From reader reviews:

April Robles:

In this 21st one hundred year, people become competitive in every single way. By being competitive now, people have to do something to make all of them survive, being in the middle of typically the crowded place and notice simply by surrounding. One thing that oftentimes many people have underestimated the item for a while is reading. Sure, by reading a publication your ability to survive increase then having chance to endure than other is high. In your case who want to start reading a book, we give you this specific God, Medicine, and Miracles: The Spiritual Factor in Healing book as beginning and daily reading publication. Why, because this book is usually more than just a book.

Marilyn Vance:

This God, Medicine, and Miracles: The Spiritual Factor in Healing is great reserve for you because the content and that is full of information for you who else always deal with world and also have to make decision every minute. This book reveal it details accurately using great coordinate word or we can say no rambling sentences inside it. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but hard core information with lovely delivering sentences. Having God, Medicine, and Miracles: The Spiritual Factor in Healing in your hand like keeping the world in your arm, information in it is not ridiculous 1. We can say that no publication that offer you world throughout ten or fifteen minute right but this book already do that. So , this is certainly good reading book. Hey there Mr. and Mrs. occupied do you still doubt that will?

Julie Tice:

Is it you actually who having spare time after that spend it whole day by watching television programs or just resting on the bed? Do you need something new? This God, Medicine, and Miracles: The Spiritual Factor in Healing can be the answer, oh how comes? A fresh book you know. You are consequently out of date, spending your spare time by reading in this brand new era is common not a nerd activity. So what these guides have than the others?

Jeff Jones:

As a pupil exactly feel bored to reading. If their teacher questioned them to go to the library or to make summary for some guide, they are complained. Just very little students that has reading's soul or real their interest. They just do what the professor want, like asked to go to the library. They go to there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this God, Medicine, and Miracles: The Spiritual Factor in Healing can make you experience more interested to read.
