## **Special Delivery** Heidi Cullinan

When your deepest, darkest fantasy shows up, get on board. Special Delivery, Book 1 Sam Keller knows he'll never find the excitement he craves in Middleton, Iowa-not while he's busting his ass in nursing school and paying rent by slaving away in a pharmacy stockroom. Then Sam meets Mitch Tedsoe, an independent, long-haul trucker who makes a delivery to a shop across the alley. Innocent flirting quickly leads to a fling, and when Mitch offers to take him on a road trip west, Sam jumps at the chance for adventure. Mitch is sexy, funny and friendly, but once they embark on their journey, something changes. One minute he's the star of Sam's every X-rated fantasy, the next he's almost too much a perfect gentleman. And when they hit the Las Vegas city limit, Sam has a name to pin on Mitch's malady: Randy. For better or for worse, Sam grapples with the meaning of friendship, letting go, growing up-even the meaning of love-because no matter how far he travels, eventually all roads lead home. Warning: This story contains trucker fantasies, threesomes and kinky consensual sex.

It makes you more readily to read this book, because you can read this book in your Cell phone. So there is no reason to your account to past this publication from your list.

#### **Carol Welch:**

Spent a free time and energy to be fun activity to do! A lot of people spent their free time with their family, or their own friends. Usually they undertaking activity like watching television, likely to beach, or picnic from the park. They actually doing same task every week. Do you feel it? Do you want to something different to fill your own personal free time/ holiday? Can be reading a book may be option to fill your free time/ holiday. The first thing that you ask may be what kinds of book that you should read. If you want to attempt look for book, may be the reserve untitled Special Delivery can be excellent book to read. May be it might be best activity to you.

#### **Marie Gambino:**

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just tiny students that has reading's heart and soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Special Delivery can make you sense more interested to read.

#### **Kelly Livingston:**

What is your hobby? Have you heard that will question when you got scholars? We believe that that question was given by teacher for their students. Many kinds of hobby, All people has different hobby. And you also know that little person such as reading or as reading through become their hobby. You must know that reading is very important as well as book as to be the thing. Book is important thing to include you knowledge, except your own teacher or lecturer. You discover good news or update in relation to something by book. A substantial number of sorts of books that can you go onto be your object. One of them is this Special Delivery.
