There are so many people I have to thank for getting this book to publication. But firstly I have to thank "The Bride", Barbie Ann. How she has spent over 40 years with me I have no idea. Not only has she typed the original manuscript, but she has translated it from my Irish gibberish, into reasonable English, without losing the content. Perhaps because she is the only person who can fully understand me. My good friend David Cunningham, has been a fantastic inspiration to me, and has helped enormously. Becky my eldest Granddaughter, who helped us old Farts to understand our computer. Chef, son, and best friend Stephen, who watches out for me at every turn. The friends that I have worked with over the years, and not to forget, without any hesitation, my customers without whom, I would not have had anything to write about.
