Wellington (1)

Muir Rory

Wellington (1) Muir Rory

The Duke of Wellington was not just Britain's greatest soldier, although his seismic struggles as leader of the Allied forces against Napoleon in the Peninsular War deservedly became the stuff of British national legend. Wellington was much more: a man of vision beyond purely military matters, a politically astute thinker, and a canny diplomat as well as lover, husband, and friend. Rory Muir's masterful new biography, the first of a two-volume set, is the fruit of a lifetime's research and discovery into Wellington and his times. The author brings Wellington into much sharper focus than ever before, addressing his masterstrokes and mistakes in equal measure.

Muir looks at all aspects of Wellington's career, from his unpromising youth through his remarkable successes in India and his role as junior minister in charge of Ireland, to his controversial military campaigns. With dramatic descriptions of major battles and how they might have turned out differently, the author underscores the magnitude of Wellington's achievements. The biography is the first to address the major significance of Wellington's political connections and shrewdness, and to set his career within the wider history of British politics and the war against Napoleon. The volume also revises Wellington's reputation for being cold and aloof, showing instead a man of far more complex and interesting character.

From reader reviews:

Margaretta Lee:

This Wellington (1) book is not ordinary book, you have after that it the world is in your hands. The benefit you get by reading this book is information inside this reserve incredible fresh, you will get details which is getting deeper you actually read a lot of information you will get. This particular Wellington (1) without we understand teach the one who studying it become critical in considering and analyzing. Don't always be worry Wellington (1) can bring if you are and not make your bag space or bookshelves' turn out to be full because you can have it inside your lovely laptop even phone. This Wellington (1) having excellent arrangement in word along with layout, so you will not feel uninterested in reading.

Jerry Ingle:

Is it anyone who having spare time subsequently spend it whole day simply by watching television programs or just laying on the bed? Do you need something totally new? This Wellington (1) can be the reply, oh how comes? A fresh book you know. You are thus out of date, spending your free time by reading in this brand-new era is common not a geek activity. So what these books have than the others?

John Smithers:

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just small students that has reading's internal or real their hobby. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Wellington (1) can make you really feel more interested to read.

Lorraine Michael:

A number of people said that they feel uninterested when they reading a publication. They are directly felt that when they get a half regions of the book. You can choose often the book Wellington (1) to make your reading is interesting. Your own skill of reading expertise is developing when you including reading. Try to choose straightforward book to make you enjoy to learn it and mingle the opinion about book and studying especially. It is to be 1st opinion for you to like to available a book and go through it. Beside that the book Wellington (1) can to be your brand new friend when you're experience alone and confuse with what must you're doing of this time.
