Wild Coast

John Gimlette

Wild Coast John Gimlette

Guyana, Suriname, and French Guiana are among the least-known places in South America: nine hundred miles of muddy coastline giving way to a forest so dense that even today there are virtually no roads through it; a string of rickety coastal towns situated between the mouths of the Orinoco and Amazon Rivers, where living is so difficult that as many Guianese live abroad as in their homelands; an interior of watery, green anarchy where border disputes are often based on ancient Elizabethan maps, where flora and fauna are still being discovered, where thousands of rivers remain mostly impassable. And under the lens of John Gimlette—brilliantly offbeat, irreverent, and canny—these three small countries are among the most wildly intriguing places on earth.

On an expedition that will last three months, he takes us deep into a remarkable world of swamp and jungle, from the hideouts of runaway slaves to the vegetation-strangled remnants of penal colonies and forts, from “Little Paris” to a settlement built around a satellite launch pad. He recounts the complicated, often surprisingly bloody, history of the region—including the infamous 1978 cult suicide at Jonestown—and introduces us to its inhabitants: from the world’s largest ants to fluorescent purple frogs to head-crushing jaguars; from indigenous tribes who still live by sorcery to descendants of African slaves, Dutch conquerors, Hmong refugees, Irish adventurers, and Scottish outlaws; from high-tech pirates to hapless pioneers for whom this stunning, strangely beautiful world (“a sort of X-rated Garden of Eden”) has become home by choice or by force.

In *Wild Coast*, John Gimlette guides us through a fabulously entertaining, eye-opening—and sometimes jaw-dropping—journey.

From reader reviews:

Eric Frances:

What do you with regards to book? It is not important to you? Or just adding material when you require something to explain what your own problem? How about your time? Or are you busy man or woman? If you don't have spare time to accomplish others business, it is make you feel bored faster. And you have time? What did you do? Everyone has many questions above. The doctor has to answer that question since just their can do this. It said that about guide. Book is familiar in each person. Yes, it is correct. Because start from on guardería until university need this particular Wild Coast to read.

Augusta Wilson:

As people who live in the modest era should be revise about what going on or information even knowledge to make all of them keep up with the era which is always change and progress. Some of you maybe can update themselves by examining books. It is a good choice for you but the problems coming to an individual is you don't know what one you should start with. This Wild Coast is our recommendation so you keep up with the world. Why, as this book serves what you want and need in this era.

Laura Buscher:

Reading can called thoughts hangout, why? Because if you find yourself reading a book especially book entitled Wild Coast the mind will drift away trough every dimension, wandering in each and every aspect that maybe not known for but surely will become your mind friends. Imaging each word written in a book then become one type conclusion and explanation which maybe you never get before. The Wild Coast giving you another experience more than blown away your brain but also giving you useful information for your better life on this era. So now let us present to you the relaxing pattern is your body and mind will be pleased when you are finished looking at it, like winning an activity. Do you want to try this extraordinary shelling out spare time activity?

Ronald Sadowski:

Is it you who having spare time after that spend it whole day by watching television programs or just lying on the bed? Do you need something totally new? This Wild Coast can be the response, oh how comes? A fresh book you know. You are therefore out of date, spending your extra time by reading in this new era is common not a nerd activity. So what these publications have than the others?
