Casual Day Has Gone Too Far: A Dilbert Book Scott Adams

When *Dilbert* first appeared in newspapers across the country in 1989, office workers looked around suspiciously. Was its creator, Scott Adams, a pen name for someone who worked amongst them? After all, the humor was just too eerily funny and familiar. Since then, *Dilbert* has become more than a cartoon character. He's become an office icon. In *Another Day in Cubicle Paradise* Dilbert and his cohorts, Dogbert, Catbert, Ratbert, and the pointy-haired boss, once again entertain with their cubicle humor. From bizarre personnel decisions to meetings gone bad, from schizoid secretaries to consultants from hell, *Another Day in Cubicle Paradise* provides a way to get all those darn comic strips off the breakroom bulletin board.
