Saab 99 and 900 is a detailed account of the cars that came from Saab, the aeroplane maker, whose first car - the 92 model - set the standard for advanced design epitomized by the 99 and 900 cars. The author delves deep into the cars' design and history, and into the core Saab values that they carried into production. Topics include: detailed design history of the 99 and 900; year-by-year developments; technically detailed engineering overviews; detailed specifications; advice on owning and buying and, finally, coverage of rallying and special models.
