Fanny Burney

Evelina: The History of a Young Lady's Entrance into the World (Modern Library Classics) Fanny Burney

A work by turns hilarious and grim, *Evelina* tells the story of a young woman's education in the ways of the world, vividly rendering life in eighteenth-century England. Raised by a pastor after her mother died and her father abandoned her, *Evelina* leaves the seclusion of the country for her first season out, encounters all manner of people—from prospective husbands to rakes to vulgar relatives—and endures all manner of trials before she achieves her final triumph.

“Before **Evelina**,” W. D. Howells proclaimed, “the heart of girlhood had never been so fully opened in literature.” Samuel Johnson called Burney “a real wonder” and Thomas Babington Macaulay wrote, “We owe to [Burney], not only *Evelina*, *Cecilia*, and *Camilla*, but also **Mansfield Park** and **The Absentee**.”
