Guía para el aprendizaje de habilidades y destrezas clínicas (Spanish Edition)

Isabel Concepción Bañes, Norberto Blanco, Guadalupe María Bruera

Guía para el aprendizaje de habilidades y destrezas clínicas (Spanish Edition) Isabel Concepción Bañes, Norberto Blanco, Guadalupe María Bruera

Desde el año 2002, la Facultad de Medicina y Ciencias de la Salud de la Universidad Abierta Interamericana ha desarrollado e implementado el Laboratorio de Habilidades en el cual los futuros graduados aprenden y practican las habilidades y destrezas clínicas definidas en las recomendaciones de AFACIMERA.

Este libro diseñado como guía para el aprendizaje y la evaluación de esas habilidades, recoge la experiencia de los docentes que conducen el Laboratorio de Habilidades. Si bien la obra está orientada a desarrollar las competencias requeridas para la acreditación en Argentina, es utilizable en cualquier otro contexto en razón de la universalidad de las competencias propuestas.
