Anthony Youn

In Stitches Anthony Youn

Full of heart and humor, a memoir about becoming a doctor that's unlike anything you've ever read before.

All Tony Youn ever wanted was to fit in. One of two Asian-American kids in a small midwestern town, he was tall and thin with Coke-bottle glasses, Hannibal Lecter headgear, a bowl cut, and a protruding jaw that grew even faster than his comic-book collection. He finally got his chance senior year as he lay strapped in an oral surgeon's chair having his jaw broken and reset--a brutal makeover that led him to his calling.

Egged on by his overachieving Korean father ("Doctor never get fired."), Tony spent the next four years mired in the angst, flubs, triumphs, nonstop studying, intermittent heavy drinking, and sexual frustration of medical school. He entered a shy, skinny nerd with no nerve, no game, and no clue. He left a doctor.

Heartwarming and laugh-out-loud funny, *In Stitches* is a universal coming-of-age story about a kid who found the best in himself by bringing out the best in others and finally learned to be comfortable in his own skin.

From reader reviews:

Gina Gregg:

The book In Stitches can give more knowledge and also the precise product information about everything you want. So just why must we leave the good thing like a book In Stitches? A few of you have a different opinion about guide. But one aim that will book can give many details for us. It is absolutely appropriate. Right now, try to closer with your book. Knowledge or information that you take for that, you could give for each other; you are able to share all of these. Book In Stitches has simple shape but the truth is know: it has great and massive function for you. You can appearance the enormous world by available and read a guide. So it is very wonderful.

Edwin Courville:

In this 21st millennium, people become competitive in every single way. By being competitive right now, people have do something to make these survives, being in the middle of the actual crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated the item for a while is reading. That's why, by reading a book your ability to survive enhance then having chance to stay than other is high. In your case who want to start reading any book, we give you this particular In Stitches book as basic and daily reading publication. Why, because this book is more than just a book.

Richard Stratton:

The reason? Because this In Stitches is an unordinary book that the inside of the publication waiting for you to snap it but latter it will zap you with the secret this inside. Reading this book next to it was fantastic author who write the book in such wonderful way makes the content inside easier to understand, entertaining way but still convey the meaning totally. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of advantages than the other book get such as help improving your ability and your critical thinking way. So , still want to delay having that book? If I have been you I will go to the guide store hurriedly.

Elizabeth Smith:

That guide can make you to feel relax. This book In Stitches was multi-colored and of course has pictures on the website. As we know that book In Stitches has many kinds or genre. Start from kids until young adults. For example Naruto or Detective Conan you can read and think you are the character on there. Therefore not at all of book usually are make you bored, any it makes you feel happy, fun and chill out. Try to choose the best book for you personally and try to like reading in which.
