Octagon Magic (The Magic Sequence) Andre Norton

Few authors have achieved such renown as World Fantasy Life Achievement honoree and Science Fiction Writers of America Grand Master Andre Norton. With the love of readers and the praise of critics, Norton's books have sold millions of copies worldwide.

Lorrie discovers a strange and fascinating secret! Did a witch live in the eight-sided house? Was it haunted? There were lots of scary stories about the strange house—but none could match the secret Lorrie uncovered. One day, she climbed the high iron gate and escaped into the garden to save a kitten from some cruel boys—and met the mysterious lady of the house. The woman let Lorrie explore all the odd-shaped rooms. In one of them was a rocking horse and a large, eight-sided dollhouse—an exact miniature of the big house. The dollhouse was beautifully furnished and seemed so ready—as if someone lived there! It drew Lorrie back into exciting adventures that she had to face with courage and daring!

This adventure should not be missed by fantasy lovers!
