Anima parlante (Narrativa universale) (Italian Edition) Alessandro Vaglio

Eccoli: sei racconti come rappresentazioni letterarie al confine tra sogno e realtà, conscio ed inconscio, dimensione umana e dimensione spirituale. I personaggi di ogni racconto sono apparizioni senza nome; emergono dal nulla nel quale prontamente ritornano una volta calato il sipario. Non intendono rimanere col lettore ma scivolano via dopo essersi sciolti come ghiaccio al sole, cedendo spazio al messaggio di cui di volta in volta si fanno tramite.

I protagonisti si ritrovano ad affrontare personali prigioni esistenziali che si rivelano in tutta la loro crudele natura, benché a volte lascino intravedere spiragli di salvezza.

Così nei racconti si dipanano tematiche universali: la solitudine, l'incomunicabilità, il perenne conflitto tra anima e uomo e tra la loro divergente ricerca della libertà, e tutto ciò viene sviluppato a più livelli percettivi nella trama di fondo, laddove un uomo costantemente afflitto da un'assurda condizione di ripetitività decide semplicemente di sparire con esiti sconosciuti, come in *Riflessione d'Assenza*, o davanti a una storia d'amore o forse d'indifferenza, come in *Lontano*, o quando si susseguono rapide e disincantate vignette, come in *Anima Parlante*.
