Assistive Technology

Emily Bouck

Assistive Technology Emily Bouck

Succinct, yet comprehensive, **Assistive Technology** is designed to help educators better understand assistive technology and how it can support students with disabilities from early childhood through transition into adulthood. This practical book considers the purpose of technology and the support it can provide rather than a student's disability categorization. Grounded in research and filled with engaging case studies and activities, author Emily C. Bouck offers an unbiased depiction of the advantages and limitations of technology. Readers are exposed to a full range of assistive technology including up-to-date coverage of low- and high-technology, as well as free and for-purchase options that can be used to support students with disabilities.
