Nicomachean Ethics

Aristotle

Nicomachean Ethics Aristotle

- Translated, with Introduction, by Terence Irwin.

Building on the strengths of the first edition, the second edition of the Irwin Nicomachean Ethics features a revised translation (with little editorial intervention), expanded notes (including a summary of the argument of each chapter), an expanded Introduction, and a revised glossary.

". . . a useful, readable text with no improvising for the sake of distinction at the cost of authenticity and clarity. The end notes and glossary are very helpful."

—Dr. Howard Rutenberg, *York College, CUNY*

Terence Irwin is Professor of Ancient Philosophy in the University of Oxford, and Fellow of Keble College.
