## Shooter: Burnout Series #1 Dahlia West

Chris "Shooter" Sullivan has returned to his hometown of Rapid City, South Dakota, to pick up the pieces of his life shattered by a roadside bomb in Iraq. He wants only to focus on holding what's left of his old unit together, running his garage where he builds custom bikes and cars, and pretending that his murdered father's motorcycle gang doesn't exist.

Hayley Turner is a young woman with her own traumatic past. Fresh off the bus from Nowhere, USA, all she wants is a job and a place to live until it's time for her to leave again. She doesn't want to make friends or enemies, least of all the ex-Army Ranger who obviously doesn't like her. She bristles under his watchful eye. He's even got her convinced that she's bad news.

But circumstances force two people who don't need anyone to need each other more and more. The more Chris gets to know Hayley, the harder it is to stay detached. And the more Hayley gets to know Chris, the more she realizes that she's been alone for so long, she might never recover from it.
