Nick Knight

SKINHEAD Instantanés d'une subculture britannique (French Edition) Nick Knight

Dans ces pages, Nick Knight retrace l'histoire des skinheads de leurs origines dans les sixties jusqu'au revival du milieu des années 70. Le livre est organisé autour de ses clichés pris dans l'East End au début des années 80, de la photographie brute et sans équivoque, en noir et blanc, résolument urbaine, qui dresse un portrait représentatif de la génération skin du début des années 80. Dans son entreprise, Knight est épaulé par trois autres auteurs qui, chacun dans son domaine, vient étoffer le propos : Harry Hawke propose une discographie des hits incontournables, un tour d'horizon complet du style vestimentaire skin est détaillé par Jim Ferguson, et Dick Hebdige propose une analyse sociologique des subcultures liées à la jeunesse. Au final, un ouvrage culte depuis sa première parution en langue anglaise en 1982, qui dresse un tableau sans concession d'une culture typiquement britannique.
