## Bringing Joy to Material Success!

You've accomplished a lot. Achieved success in your career, acquired many of your most desired possessions, scratched a number of your itches, and fulfilled most of your earlier dreams. You're well on your way to where you have been trying to be for so long, and now your question is, *Why do I continue to feel that something is missing?*

Stan Sanderson, founder of the Spiritual Coach Program, says that many successful people feel this way. He calls the cause of emerging from a lifelong journey of success that is *void* of true fulfillment 'The Big Lie.'

As Sanderson explains in this timely and hope-filled book, you've been buying into the Big Lie your whole life. This doctrine teaches that happiness comes from things, status, and outside validation—and Sanderson breaks down the phenomenon as it pertains to your life and offers his 7 Spiritual Strategies to help you integrate your material gains with spiritual rewards. The result? You will recognize the detrimental effects of the Big Lie and begin to enjoy the blessings of all that has been *missing* in your life!

While you have been fortunate in gaining ground in career, wealth, status, and materialism, Sanderson offers you the guidance to transform this type of success into a much deeper, more spiritual, more connected success that will complement your spirit and help you discover true joy, happiness, and freedom beyond material success.
