Daniel Hernandez

## **They Call Me a Hero: A Memoir of My Youth** Daniel Hernandez

Daniel Hernandez helped save the life of Congresswoman Gabrielle Giffords, and his life experience is a source of true inspiration in this heartfelt memoir, “an absorbing eyewitness view of a shocking event wrapped in a fluent, engaging self-portrait” (*Kirkus Reviews*).

“I don’t consider myself a hero,” says Daniel Hernandez. “I did what I thought anyone should have done. Heroes are people who spend a lifetime committed to helping others.”

When Daniel Hernandez was twenty years old, he was working as an intern for US Representative Gabrielle Giffords. On January 8, 2011, during a “Congress on Your Corner” event, Giffords was shot. Daniel Hernandez’s quick thinking before the paramedics arrived and took Giffords to the hospital saved her life. Hernandez’s bravery and heroism has been noted by many, including President Barack Obama.

But while that may have been his most well-known moment in the spotlight, Daniel Hernandez, Jr., is a remarkable individual who has already accomplished much in his young life, and is working to achieve much more. *They Call Me a Hero* explores Daniel’s life, his character, and the traits that a young person needs to rise above adversity and become a hero like Daniel.

“His story is inspiring not only for his bravery during the shooting, but also for his commitment to education advocacy and public service, including his appointment to Tucson’s Commission on LGBT issues and election to the local school board. Photos of Hernandez with family, friends, colleagues, and political figures are included” (*Publishers Weekly*).
