Anne Brontë

Agnes Grey Anne Brontë

Anne Brontë's debut novel tells the realistic and moving story of a young governess

For well-educated women of lesser means in the mid-nineteenth century, there was only one option for employment that paid decently and provided a sense of dignity: becoming a governess. These young women were tasked with educating the children of the rich in the ways of the world.

When the Grey family falls into debt, Agnes is forced to find work as a governess and learns of the misery and cruelty that exist in the landed classes. In her first home, she sees a family with spoiled, abusive children; and in the second, she discovers the misery of the elite, who seem from afar to have everything. Drawing from her own experiences as a governess, Brontë has crafted with warmth and realism the story of a young woman named Agnes Grey.

This ebook has been professionally proofread to ensure accuracy and readability on all devices.

From reader reviews:

Christine Furst:

Information is provisions for people to get better life, information presently can get by anyone from everywhere. The information can be a knowledge or any news even a concern. What people must be consider while those information which is in the former life are hard to be find than now's taking seriously which one is appropriate to believe or which one often the resource are convinced. If you receive the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take Agnes Grey as the daily resource information.

Robert Rochester:

Your reading 6th sense will not betray you, why because this Agnes Grey reserve written by well-known writer whose to say well how to make book that can be understand by anyone who all read the book. Written with good manner for you, still dripping wet every ideas and writing skill only for eliminate your personal hunger then you still doubt Agnes Grey as good book not merely by the cover but also from the content. This is one publication that can break don't evaluate book by its deal with, so do you still needing a different sixth sense to pick this!? Oh come on your examining sixth sense already said so why you have to listening to another sixth sense.

Dennis Ross:

As we know that book is essential thing to add our know-how for everything. By a guide we can know everything you want. A book is a range of written, printed, illustrated or even blank sheet. Every year ended up being exactly added. This publication Agnes Grey was filled concerning science. Spend your time to add your knowledge about your science competence. Some people has various feel when they reading any book. If you know how big benefit of a book, you can experience enjoy to read a publication. In the modern era like now, many ways to get book you wanted.

Gordon Rollins:

As a student exactly feel bored to reading. If their teacher inquired them to go to the library in order to make summary for some reserve, they are complained. Just tiny students that has reading's heart and soul or real their hobby. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Agnes Grey can make you truly feel more interested to read.
