Authority and Its Enemies

Thomas Molnar

Authority and Its Enemies Thomas Molnar

Ideological warfare against authority, especially in the world of higher education, broke out in the 1960s, and continues into the 1990s. No source or symbol of authority escaped untouched—neither parents nor teachers nor the cop on the beat. While the hippies have gone underground or disappeared entirely, the assault on legitimate authority continues unabated. As familiar institutions crumble before our eyes, befuddled liberals and conservatives alike throw up their hands in despair. In *Authority and Its Enemies*, Thomas Molnar asserts that the Western world is reeling from an overdose of freedom without order or authority.
