Risk Management Handbook for Health Care Organizations, 3 Volume Set Roberta Carroll

Continuing its superiority in the health care risk management field, this sixth edition of *The Risk Management Handbook for Health Care Organizations* is written by the key practitioners and consultant in the field. It contains more practical chapters and health care examples and additional material on methods and techniques of risk reduction and management. It also revises the structure of the previous edition, and focuses on operational and organizational structure rather than risk areas and functions. The three volumes are written using a practical and user-friendly approach.
