A book of wisdom teachings and rituals that invoke ancient Egyptian deities to awaken human consciousness

- Provides guided shamanic visualizations to invoke 26 of the most significant gods
- Takes the reader through shamanic portals of death, rebirth, and illumination
- Reconciles internal conflict through a sacred marriage of heart and mind

In *Shamanic Mysteries of Egypt*, Nicki Scully and Linda Star Wolf renew humanity's connection to the ancient gods of Egypt, the *neteru*. Voices from these divine ancestors remind us of the healing power of the heart, and call us to bring their consciousness into the present to help us remember our true nature as divine humans with sacred purpose. The authors provide rituals, meditations, and rites of passage to help us meet our personal and planetary challenges with grace, wisdom, and love. The shamanic initiations provided are invoked, directly experienced, and transformed into embodied wisdom that awakens consciousness and illumines the intelligence of the heart.

Scully and Star Wolf focus their rituals on 26 of the primary divine entities that preside over the ancient mysteries whose roots are in Old Kingdom and pre-historic Egypt. This fresh interpretation of ancient mysteries unites the energies of Thoth and Anubis to guide us through the current cycle of Earth changes and to help us remember who we really are at heart. Through these passages, Anubis lives up to his ancient title as the Opener of the Way, and Thoth as the Architect of Higher Learning. Together they evoke their power to unite heart and mind in the sacred marriage that brings transformation, renewal, and the awakening of consciousness.
