- \* CD-ROM contains code examples, a fully searchable version of the book, and sample

Combining clear, step-by-step screen shots with minimal text, our five Visual series are the ultimate resources for visual learners, who represent up to forty percent of your customers.

Teach Yourself VISUALLY guides help computer users get up to speed on a wide range of office productivity, graphics, and Web design software. Offering significantly more coverage than our Simplified series, these books provide real-world tips and illustrate basic and intermediate level techniques using crisp full-color screen shots.

Visual Blueprints apply the proven Visual formula to professional-level programming, Web development, and networking tips. Each two-color guide includes self-contained two-page lessons, covering more than 100 key topics, accompanied by practical tips and code samples as well as examples and bonus software on CD-ROM.
