An excuse and an apology - the Master of the Macabre's oldest friend provides an afterword to his book of horrors, and offers one final horror more terrifying than any ghost stories the late author could come up with. From Remember Why You Fear Me, this story is one of a set of deliciously frightening and darkly satirical tales by Robert Shearman, winner of the World Fantasy Award, the British Fantasy Award, the Shirley Jackson Award, and the Edge Hill Reader's Prize.

ChiZine Publications (CZP) curates the best of the bizarre, bringing you the most excitingly weird, subtle, dark, and disturbing literary fiction. Look for more titles in the ChiZine short stories collection to build your digital library.
