To the Castle and Back

Vaclav Havel

To the Castle and Back Vaclav Havel

From the former president of the Czech Republic comes this first-hand account of his years in office and the transition to democracy following the fall of Communism.

A renowned playwright, Václav Havel became one of Czechoslovakia's most prominent dissidents under Communist rule – and the president after the Velvet Revolution, making him a key player in European politics. Here we see first-hand the challenges of creating a new government, tempered with Havel's revealing insights into the difficulties posed by an era of increased globalization and conflict. He discusses not only the situation in his own country, but also such pressing issues as the future of the European Union, the war in Iraq, and the role of the United States in contemporary affairs. Written with an eye towards both the political and the personal and a witty, well-honed eloquence, *To the Castle and Back* is a rare glimpse into the minds of one of the most important political figures of modern times.

From the Trade Paperback edition.

From reader reviews:

Gail Boutwell:

Book is usually written, printed, or highlighted for everything. You can recognize everything you want by a book. Book has a different type. We all know that that book is important thing to bring us around the world. Close to that you can your reading expertise was fluently. A reserve To the Castle and Back will make you to end up being smarter. You can feel far more confidence if you can know about every thing. But some of you think this open or reading some sort of book make you bored. It is far from make you fun. Why they might be thought like that? Have you looking for best book or acceptable book with you?

Barbara Erickson:

As people who live in the modest era should be up-date about what going on or facts even knowledge to make these individuals keep up with the era which is always change and move forward. Some of you maybe will update themselves by reading books. It is a good choice for yourself but the problems coming to anyone is you don't know what kind you should start with. This To the Castle and Back is our recommendation so you keep up with the world. Why, because this book serves what you want and want in this era.

Laree Drummond:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading routine give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book that improve your knowledge and information. The data you get based on what kind of guide you read, if you want drive more knowledge just go with schooling books but if you want feel happy read one with theme for entertaining for instance comic or novel. The To the Castle and Back is kind of guide which is giving the reader unforeseen experience.

Peter Lombard:

In this period of time globalization it is important to someone to find information. The information will make someone to understand the condition of the world. The health of the world makes the information better to share. You can find a lot of referrals to get information example: internet, newspapers, book, and soon. You can observe that now, a lot of publisher that will print many kinds of book. The actual book that recommended to you is To the Castle and Back this book consist a lot of the information of the condition of this world now. That book was represented so why is the world has grown up. The language styles that writer require to explain it is easy to understand. The writer made some research when he makes this book. That's why this book appropriate all of you.
