Upside Living in A Downside Economy Mike Slaughter

During difficult economic times, it's tough not to focus on getting by with less and waiting for the next bit of bad news. But, as Christians, how do we respond to what's happening on Wall Street?

In *Upside Living in a Downside Economy*, pastor and author Mike Slaughter offers insight into seeking God's perspective in our daily money concerns. With clarity and a servant's heart, Slaughter addresses vital topics such as money and marriage, financial and spiritual investments, personal motivation and God's will, and determining priorities.

This four-session DVD and Leader's Guide for *Upside Living in a Downside Economy* will help guide participants in strengthening their spiritual connection while making economic corrections and, most importantly, responding according to God's plan.

From reader reviews:

Larry Parker:

Information is provisions for people to get better life, information presently can get by anyone in everywhere. The information can be a information or any news even a problem. What people must be consider if those information which is in the former life are difficult to be find than now could be taking seriously which one would work to believe or which one the actual resource are convinced. If you get the unstable resource then you get it as your main information you will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take Upside Living in A Downside Economy as your daily resource information.

Mary Norman:

This Upside Living in A Downside Economy is great reserve for you because the content which can be full of information for you who all always deal with world and have to make decision every minute. This particular book reveal it data accurately using great manage word or we can declare no rambling sentences in it. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but tough core information with wonderful delivering sentences. Having Upside Living in A Downside Economy in your hand like having the world in your arm, information in it is not ridiculous one particular. We can say that no e-book that offer you world in ten or fifteen second right but this guide already do that. So , this really is good reading book. Hey Mr. and Mrs. stressful do you still doubt which?

Patrick Bodin:

Is it an individual who having spare time in that case spend it whole day simply by watching television programs or just laying on the bed? Do you need something new? This Upside Living in A Downside Economy can be the answer, oh how comes? The new book you know. You are and so out of date, spending your time by reading in this brand-new era is common not a nerd activity. So what these books have than the others?

Elda Ornelas:

As a university student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or to make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that studying is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Upside Living in A Downside Economy can make you truly feel more interested to read.
