Anything Considered: A Novel Peter Mayle

Bennett is an English expatriate living in France with a champagne taste and a beer bankroll. Happy-go-lucky and a bit roguish, he places an ad in the *International Herald Tribune* offering his services -- any services. He pursues a response from a wealthy Englishman named Julian Poe who has developed a means of producing truffles and is close to cornering the immensely lucrative truffle market. Bennett signs on and finds himself in Monaco, where he is able to live in a style to which he has always wished to become accustomed (including eating to his heart's content -- a Mayle trademark!). Soon the Sicilian and Corsican Mafiosi intrude and Bennett is joined by the beautiful and experienced (in all ways) Anna. Ham-fisted goons, gendarmes working at cross purposes, French village busybodies, and an order of monks dedicated to the god Bacchus all play a role in the surprising, and more than a little satisfying, denouement.
