Fairy Quest Vol. 2: Outcasts (Fairy Quest Outcasts) Paul Jenkins

What's to Love: We all grew up reading fairy tales. We all love fairy tales! But if you enjoy your fairy tales with a twist like Fables, Fairest, or Once Upon a Time, Fairy Quest is the perfect series for you. Plus, Paul Jenkins (Wolverine: Origin) and Humberto Ramos (Amazing Spider-Man) have already made the fans their co-publishers with a successful Kickstarter. **What It Is:** The adventures of Red and Mister Woof have only just begun. In Fablewood, all of the stories that have ever been told live side-by-side. But it is an evil place, overseen by the awful Mister Grimm and his cadre of Think Police. Red and Woof want to escape to a world where their friendship isn't prohibited, but nothing can prepare them for what lies ahead in the Dark Forest.
